Sensory Gold Standard Description:

Ham RTE Bone-In Natural Juice Sensory Requirements

- **Exterior Appearance:** Medium golden-brown fat with a dark red-brown lean color and may have some charred areas. Slight fat covering without seam separation.
- **Interior Appearance Unsliced:** Medium/dark pink cured color with some amber tint on edges and slight fat marbling.
- **Interior Appearance Sliced:** Medium/dark pink cured color with slight fat marbling. Slices are even with slight separation and intact meat.
- **Dark Muscle Texture:** Tender with a slight resistance on the initial bite, slightly juicy with a very slight chewy/soft bite.
- **Light Muscle Texture:** Firm, slight-moderate resistance on the initial bite, moist with a slight-moderate chewy bite.
- **Dark Muscle Flavor (Taste & Aroma):** Moderate smokiness with a slight-moderate saltiness and slight sweetness.
- **Light Muscle Flavor (Taste & Aroma):** Moderate-high saltiness with a slight-moderate smokiness, very slight cured ham flavor and slight sweetness.
- When product is prepared with glaze, the taste and aroma will have additional flavors and sweetness that are included in the glaze ingredient statement or product description.

Smoke Type:

- Must use 100% natural hickory smoke; no liquid smoke allowed.

Disclaimers:

- All product is produced in accordance with good manufacturing practices and conforms to all applicable federal, state and local regulations.
- If quality issues arise, make sure that all packaging and product are saved for review and retrieval of pertinent information (i.e., producing facility, lot, etc…)
- All quality issues should be reported to your company's corporate offices. Your company's corporate offices will report the issues (along with all pertinent information) to Smithfield's Quality Assurance contact person. Smithfield's Quality Assurance contact person will notify Product Management.
- The nutrient analyses represent typical production lots, these are not guaranteed as minimum or maximum levels.
- Child Nutrition, Meat/Meat Equivalency, or Product Formulation Statement information may be available upon request.
