At Hatfield theres a greater sense of purpose in everything we do. As an American, family-owned business with more than 120 years of history, weve always believed in doing the right thing, not the new thing.
Were driven by a conviction that our business isnt just about quality products, but its about our commitment to animal care and sustaining American family farms. We take care in raising our animals on family farms without the use of hormones, steroids or growth promotants. We are focused on sustainability for our planet, people and animals through our health and wellness programs, charitable giving, living wage and workforce development.
