Features:	At Barilla, we're passionate about pasta. After all, we have been pasta makers since 1877. As an Italian family-owned food company, Barilla pasta is synonymous with high quality and "al dente" perfection every time. Our Orzo is made from the finest durum wheat and is non-GMO verified, peanut-free and suitable for a vegan or vegetarian diet. Orzo is a versatile rice-shaped pasta and used in many delicious main courses and side dishes. Orzo, which means "barley" in Italian, has a similar texture of traditional Arborio rice, and is a perfect complement to broths and vegetables traditionally used in soups.
Preparation and Cooking:	Boil - Bring 4-6 quarts of water to a boil. Add pasta to boiling water. Boil for 9 minutes stirring occasionally. For use in soups undercook by 1 to 3 minutes. Drain well.
Serving Suggestions:	Best served in soup.
Storage:	Storage: Store in dry environment at an ambient temperature.
