Features:	At Barilla, we're passionate about pasta. After all, we have been pasta makers since 1877. As an Italian family-owned food company, Barilla pasta is synonymous with high quality and "al dente" perfection every time. Our Tri-Color Rotini is made from the finest durum wheat and is non-GMO verified, peanut-free and suitable for a vegan or vegetarian diet. A colorful version of classic Rotini, a corkscrew-shaped pasta that originated in Northern Italy. It's shape was inspired by watching children playing - always in motion just like the spirals of Rotini. The twists of Tri-Color Rotini allow it to hold more sauce, and may be enjoyed in your favorite pasta salad dishes or paired with delicious tomato-based sauces.
Preparation and Cooking:	Boil - Bring 4-6 quarts of water to a boil. Add pasta to boiling water. Boil for 7 minutes stirring occasionally. Drain well.
Serving Suggestions:	Serve with your favorite Barilla sauce
Storage:	Storage: Store in dry environment at an ambient temperature.
