Features:	At Barilla, we're passionate about pasta. After all, we have been pasta makers since 1877. As an Italian family-owned food company, Barilla pasta is synonymous with high quality and "al dente" perfection every time. Our Rigatoni is made from the finest durum wheat and is non-GMO verified, peanut-free and suitable for a vegan or vegetarian diet. Rigatoni is a classic, ridged pasta shape that originated in Rome and was the muse for the famous Italian director, Federico Fellini, who created Barilla television commercials in Italy in the 1980s. Rigatoni is a wide, tube-shaped pasta with large-enough openings to capture pieces of meat or vegetables and its beautiful ridges allow it to hold more sauce.
Preparation and Cooking:	Boil - Bring 4-6 quarts of water to a boil. Add pasta to boiling water. Boil for 12 minutes stirring occasionally. Drain well.
Serving Suggestions:	Serve with your favorite Barilla sauce
Storage:	Storage: Store in dry environment at an ambient temperature.
